

# Florida Digital Educator Program

*A statewide integration initiative*

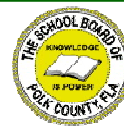

## Hubs of Learning *iTeach, iLearn, iShare*

as of 10/8/07

optional trainings for FDEs and collaborating teachers

Hubs of Learning afford teachers in the FDE program an opportunity to collaborate, integrate digital tools in the classroom and share with other teachers on their campus.

4:30pm - 6:30pm

**Gaggle.net** is the official site for Florida Digital Educators to develop student collaboration tools for the classroom such as safe email, student blogs, digital lockers for files and even chat. All teachers must attend this inservice before using Gaggle.net in the classroom. A follow-up activity will be required.

### Osceola - Mondays

Sept. 10 - Lakeview Elem.  
Sept. 17 - Pleasant Hill Elem.  
Oct. 1 - IMC classroom

### Polk - Tuesdays

Oct. 9 - Traviss Technical Center  
Oct. 16 - Dr. N.E. Roberts Elem.  
Oct. 23 - Lake Marion Creek Elem.

4:30pm - 6:30pm

**Audacity** is the official digital audio editor and mixer for the Florida Digital Educator Program for Windows. Teachers will practice creating recordings and share classroom possibilities for using digital audio. Garage Band will be available for experimentation. A follow-up activity will be required.
