## Hubs of Learning

optional trainings for FDEs and collaborating teachers

### Make-up session

This special make-up session on Audacity training will be for Polk County teachers at Traviss Technical Center on **Tuesday, Feb. 12** from 4:30pm–6:30pm. Please email Karen if you plan to attend.

### Advanced

**4:30pm - 6:30pm**

**DE streaming** is one of the greatest electronic resources for Polk and Osceola County teachers. It is MUCH more than downloading and playing videos. Learn to integrate digital content with an emphasis on Assignment Builder.

#### Polk - Tuesdays

Jan. 29 - Lake Marion Creek (3:30 start)  
Feb. 5 - Traviss Technical Center

#### Osceola - Thursdays

Jan. 10 - Pleasant Hill Elem.  
Jan. 31 - IMC classroom

### mp3 players & iTunes

**4:30pm - 6:30pm**

**iTunes** is a FREE Windows and Mac organizer. Beyond playing music, teachers will use iTunes to gather and organize video, audio, podcasts, instructional handouts, PDFs, and more. If you have an iPod or other mp3 player, please bring it to class.

#### Polk - Tuesdays

Feb. 19 - Traviss Technical Center  
Feb. 26 - Lake Marion Creek (3:30 start)

#### Osceola - Thursdays

Feb. 21 - Pleasant Hill Elem.  
Feb. 28 - IMC classroom

### Windows Movie Maker

**4:30pm - 6:30pm**

**Movie Maker** is a FREE download from Microsoft with robust editing capability for the novice user. Teachers will explore the creation of original classroom video from still pictures and video from camcorders and digital cameras.

#### Polk - Tuesdays

March. 18 - Traviss Technical Center  
March. 25 - Lake Marion Creek (3:30 start)

#### Osceola - Thursdays
